SVCE Benefits

**GHG Reduction**
Single most effective and large-scale action our communities can take to curb emissions and reduce climate impacts.

**A True Choice**
Now have a choice of more than one electricity provider.

**Competition**
Redefining the local energy market with new and competitive clean energy services.

**Local Investment**
Reinvest revenues to keep rates low, provide energy efficiency programs and promote local clean energy infrastructure.
Board of Directors

Board meetings are open to the public and take place at 7 p.m. on the second Wednesday of each month at:
