The Chief Executive Officer will be required to approve, in advance, all out-of-state travel by SVCE personnel, including members of the Board of Directors, to attend a Conference or a Meeting related to Agency Business at the Agency’s expense. Requests for travel shall be submitted to and approved by the appropriate department head prior to submittal to the Chief Executive Officer.

B. IN-STATE TRAVEL

All in-state travel involving overnight accommodations shall be approved by the Chief Executive Officer, prior to incurring expenses, when travel is required for the performance of the Employee’s duties and responsibilities to the Agency.

In-state travel not involving overnight accommodations shall be approved by the appropriate department head, prior to incurring expenses, when travel is required for the performance of the Employee’s duties and responsibilities to the Agency.

C. LIMITATIONS

Travel and Meeting expenditures shall not exceed approved budget appropriations and associated fiscal policies established therewith.

Personal Business: SVCE shall not be responsible for any travel associated with Personal Business. approval of the travel, the dual nature of any travel and the portion undertaken on behalf of the Agency.

Guests: Regardless of Employee attendance at a Conference or Meeting, expenses for family or guests shall not be incurred, nor reimbursed by SVCE.

V. REIMBURSABLE EXPENSES**A. ACCOMMODATIONS**

Reimbursement for hotel or motel lodging expenses, including applicable taxes, will be based on actual expenditure but shall not exceed the standard room rates at official Conference hotels for single occupancy. Reimbursement for hotel and motel lodging expenses shall cover the days of travel (to and from the Conference or Meeting) as well as the days of the Conference or Meeting. No expenses shall be incurred by SVCE for additional days of stay to conduct Personal Business. Employees shall be responsible for any expenses exceeding the standard room rate for Conferences. In instances where lodging is required for a Meeting, every reasonable effort shall be made to choose the lowest cost lodging alternative.

B. TRANSPORTATION

Travel up to 150 miles one way may be done by private automobile. Reimbursement shall be at the rates prescribed by the Internal Revenue Service (IRS).

When actual mileage exceeds the reasonable distance between origin and destination by 10%, the Employee must justify such excess; otherwise, reimbursement will be made only on the most direct route.

If the Employee does not have access to a private automobile, reimbursement for ride-sharing services, taxi services, automobile rental services, or public transit services, including applicable taxes, will be based on actual expenditures. Reimbursement shall be limited to expenditures that are deemed reasonably essential to transportation to the destination (tickets, standard vehicle, rental insurance, etc.). Reimbursement shall

not be issued for luxury vehicle upgrades or for public transit passes lasting longer than the period of travel for Agency Business.

Travel to destinations over 150 miles one way will be paid at mileage or airfare costs, but in no event shall the reimbursement exceed the value of coach airfare and related transportation authorized in this section.

Airfare and reasonable baggage fees based on the length of the trip for domestic flights shall be reimbursed based on the value of the applicable round-trip coach airfare to the proposed destination. All efforts should be made to obtain the lowest available fare by making reservations well in advance of departure. The Agency shall not reimburse Employees for seat selection fees, "early bird" check-in fees, or in-flight food or beverages. No Agency funds shall be expended on airfare for guests.

If transportation is provided as part of the registration fee for a Conference, reimbursement may not be sought if the Employee prefers another mode of transportation unless it is public transportation.

Other Transportation Costs: The following expenses shall be authorized at the lowest available cost, given the individual circumstances of the travel:

- (a) Travel to and from airports, including private automobile mileage, taxis, ride-sharing, airport shuttles or buses.
- (b) Storage, parking, and toll charges when such charges are reasonable and necessary.
- (c) Automobile rental expenses shall be authorized when Written Justification showing that the rental fees are the most cost-effective means of travel is provided to the Chief Executive Officer in advance of the trip.

C. MEALS

SVCE's maximum full day meal and Incidental Expense rate will be based on actual expenses or \$75, whichever is lower.

Employee meal expenses, incurred while on Agency Business within the counties listed above, shall not be reimbursed unless authorized by the department head. Reimbursement shall be allowed only when a receipt for actual meal expense has been provided. Expenses for non-SVCE personnel are not reimbursable unless authorized by the Chief Executive Officer in advance and the claim for reimbursement identifies who is included in the Agency Business Meeting and the nature of the Agency Business.

Expenses for Conference luncheons, special banquets, or other set price official affairs will be reimbursed on the basis of actual expenditure upon presentation of documentation of the set price.

Reimbursement for alcoholic beverages as part of the meal expenses shall not be permitted unless said expense is part of a fixed-price Conference or Meeting event and separation of such expense from the total cost is not possible.

D. REGISTRATION FEES

Registration fees for Conferences or Meetings will be paid at actual cost. Official literature indicating the cost of registration and Conference or Meeting dates must accompany the Employee expense claim.

E. RESTRICTIONS

If an Employee uses an indirect route to travel, except for reasons beyond the control of the Employee, any resulting additional expense will be borne by the Employee.

Reimbursement of costs incurred while attending a Political Function shall not be authorized.

VI. REIMBURSEMENT

An advance, in an amount representing the estimated expenses, may be secured upon application to the Chief Executive Officer or

their designee. The Chief Executive Officer may authorize an advance in a higher amount upon receipt of Written Justification and presentation of an itemization of estimated expenses. Accounting of advances shall be done on the same form as required for requesting claims for reimbursements.

All claims for reimbursement shall be prepared on an SVCE Employee Reimbursement Expense Form and shall be submitted monthly or upon completion of a trip, but no longer than 30 days after the event. Any Employees submitting expense reports after the 30-day period shall not be reimbursed.

All claims for reimbursement shall include an itemization of expenses, provide a brief explanation of the purpose of the Conference or Meeting and shall include original receipts or vouchers for all expenses incurred with the exception of advances. Documentation such as a credit card statement or airline boarding passes which do not provide details of such expenditures will be deemed inadequate for purposes of reimbursement. If a receipt cannot be obtained or has been lost, a Written Justification shall be made on the expense form and the reason given. In the absence of an explanation satisfactory to the applicable approving authority, the amount involved shall not be allowed.

All claims for reimbursement shall include a statement signed by the individual submitting the request for reimbursement that the expenses are actual expenses incurred while on Agency Business and that the expenses conform to this policy.

All claims for reimbursement shall be submitted to the Employee's department head and to the Chief Executive Officer, or their designee, for approval. A determination shall be made by the Chief Executive Officer, or their designee, that (1) the claims for the reimbursement are in accordance with this policy; and (2) the necessary budgetary funds are available for disbursement.
