Such insurance and certificates, which do not limit Participant's indemnification obligations under this Agreement, shall also contain substantially the following statement: "Should any of the above insurance covered by this certificate be canceled or coverage reduced before the expiration date thereof, the insurer affording coverage shall provide thirty (30) days' advance written notice to the Authority by certified mail, Attention: Chief Executive Officer." Participant shall maintain in force at all times during the performance of this Agreement all appropriate coverage of insurance required by this Agreement with an insurance company that is acceptable to Authority and licensed to do insurance business in the State of California. Endorsements naming the Authority as additional insured shall be submitted with the insurance certificates.

Participant agrees that in the event of loss due to any of the perils for which he/she has agreed to provide comprehensive general and automotive liability insurance, Participant shall look solely to his/her/its insurance for recovery. Participant hereby grants to Authority, on behalf of any insurer providing comprehensive general and automotive liability insurance to either Participant or Authority with respect to the services of Participant herein, a waiver of any right to subrogation which any such insurer of Participant may acquire against Authority by virtue of the payment of any loss under such insurance.

C. Failure to secure or maintain insurance. If Participant at any time during the Term should fail to secure or maintain the foregoing insurance, Authority shall be permitted to obtain such insurance in the Participant's name or as an agent of the Participant and shall be compensated by the Participant for the costs of the insurance premiums at the maximum rate permitted by law and computed from the date

written notice is received that the premiums have not been paid.

D. Additional Insured. Authority, its members, officers, employees and volunteers shall be named as additional insureds under all insurance coverages, except any professional liability insurance, required by this Agreement. The naming of an additional insured shall not affect any recovery to which such additional insured would be entitled under this policy if not named as such additional insured. An additional insured named herein shall not be held liable for any premium, deductible portion of any loss, or expense of any nature on this policy or any extension thereof. Any other insurance held by an additional insured shall not be required to contribute anything toward any loss or expense covered by the insurance provided by this policy.

It shall be a requirement under this Agreement that any available insurance proceeds broader than or in excess of the specified minimum Insurance coverage requirements and/or limits shall be available to the additional insureds. Furthermore, the requirements for coverage and limits shall be the minimum coverage and limits specified in this Agreement, or the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the named insured, whichever is greater.

G. Subcontractors. Participant shall require all subcontractors to procure and maintain insurance policies subject to the requirements of Exhibit "D." ## 11. CONFLICT OF INTEREST

Participant warrants that it presently has no interest, and will not acquire any interest, direct or indirect, financial or otherwise, that would conflict in any way with the performance of this Agreement, and that it will not employ any person having such an interest. Participant agrees to advise Authority immediately if any conflict arises and understands that it may be required to fill out a conflict of interest form if the services provided under this Agreement require Participant to make certain governmental decisions or serve in a staff Authority, as defined in Title 2, Division 6, Section 18700 of the California Code of Regulations.

## 12. PROHIBITION AGAINST TRANSFERS

The Parties agree that the expertise and experience of Participant are material considerations for this Agreement. Participant shall not assign, sublease, hypothecate, or transfer this Agreement, or any interest therein, directly or indirectly, by operation of law or otherwise, without prior written consent of Authority. Any attempt to do so without such consent shall be null and void, and any assignee, sublessee, pledgee, or transferee shall acquire no right or interest by reason of such attempted assignment, hypothecation or transfer. Consent to one assignment will not be deemed to be consent to any subsequent assignment. However, claims for money by Participant from Authority under this Agreement may be assigned to a bank, trust company or other financial institution without prior written consent. Written notice of such assignment shall be promptly furnished to Authority by Participant.

The sale, assignment, transfer or other disposition of any of the issued and outstanding capital stock of Participant, or of the interest of any general partner or joint venturer or syndicate member or cotenant, if Participant is a partnership or joint venture or syndicate or cotenancy, which shall result in changing the control of Participant, shall be construed as an assignment of this Agreement. Control means fifty percent (50%) or more of the voting power of the corporation.

13. **SUBCONTRACTOR APPROVAL**

Unless prior written consent from Authority is obtained, only those persons and subcontractors whose names are attached to this Agreement shall be used in the performance of this Agreement.

In the event that Participant employs subcontractors, such subcontractors shall be required to furnish proof of workers' compensation insurance and shall also be required to carry general, automobile and professional liability insurance in substantial conformity to the insurance carried by Participant. In addition, any work or services subcontracted hereunder shall be subject to each provision of this Agreement.

Participant agrees to include within their subcontract(s) with any and all subcontractors the same requirements and provisions of this Agreement, including the indemnity and insurance requirements, to the extent they apply to the scope of the subcontractor's work. Subcontractors hired by Participant shall agree to be bound to Participant and Authority in the same manner and to the same extent as Participant is bound to Authority under this Agreement. Subcontractors shall agree to include these same provisions within any sub-subcontract. Participant shall provide a copy of the Indemnity and Insurance provisions of this Agreement to any subcontractor. Participant shall require all subcontractors to provide valid certificates of insurance and the required endorsements prior to commencement of any work and will provide proof of compliance to Authority.

14. **REPORTS**

A. Each and every report, draft, work product, map, record and other document, hereinafter collectively referred to as "Report", reproduced, prepared or caused to be prepared by Participant pursuant to or in connection with this Agreement, shall be the exclusive property of Authority. Participant shall not copyright any Report required by this Agreement and shall execute appropriate documents to assign to Authority the copyright to Reports created pursuant to this Agreement. Any Report, information and data acquired or required by this Agreement shall become the property of Authority, and all publication rights are reserved to Authority. Participant may retain a copy of any Report furnished to the Authority pursuant to this Agreement.

B. All Reports prepared by Participant may be used by Authority in execution or implementation of: (1) The original Project for which Participant was hired; (2) Completion of the original Project by others; (3) Subsequent additions to the original Project; and/or (4) Other Authority projects as Authority deems appropriate in its sole discretion.

C. Participant shall, at such time and in such form as Authority may require, furnish reports concerning the status of services required under this Agreement.

D. All Reports required to be provided by this Agreement shall be printed on recycled paper. All Reports shall be copied on both sides of the paper except for one original, which shall be single sided. All Reports shall also be provided in electronic format, both in the original file format (e.g., Microsoft Word) and in PDF format.

E. No Report, information or other data given to or prepared or assembled by Participant pursuant to this Agreement shall be made available to any individual or organization by Participant without prior approval by Authority.

15. **RECORDS**

Participant shall maintain complete and accurate records with respect to costs, expenses, receipts and other such information required by Authority that relate to the performance of services under this Agreement, in sufficient detail to permit an evaluation of the services and costs. All such records shall be maintained in accordance with generally accepted accounting principles and shall be clearly

identified and readily accessible. Participant shall provide free access to such books and records to the representatives of Authority or its designees at all proper times, and gives Authority the right to examine and audit same, and to make transcripts therefrom as necessary, and to allow inspection of all work, data, documents, proceedings and activities related to this Agreement. Such records, together with supporting documents, shall be maintained for a minimum period of five (5) years after Participant receives final payment from Authority for all services required under this agreement.

If supplemental examination or audit of the records is necessary due to concerns raised by Authority's preliminary examination or audit of records, and the Authority's supplemental examination or audit of the records discloses a failure to adhere to appropriate internal financial controls, or other breach of contract or failure to act in good faith, then Participant shall reimburse Authority for all reasonable costs and expenses associated with the supplemental examination or audit.

C. As practicable, Authority shall mark Confidential Information with the words "Confidential" or "Confidential Material" or with words of similar import, or, if that is not possible, Authority shall notify the Participant (for example, by cover e-mail transmitting an electronic document) that the material is Confidential Information. Authority's failure, for whatever reason, to mark or notify Participant at the time the material is produced shall not take the material out of the coverage of this Agreement.

D. Participant will direct its employees, contractors, consultants, and representatives who have access to any Confidential Information to comply with the terms of this Section.

E. Upon termination or expiration of this Agreement, Participant shall, at Authority's direction, either return or destroy all such Confidential Information and shall so certify in writing, provided, however, any Confidential Information (i) found in drafts, notes, studies, and other documents prepared by or for Authority or its representatives, or (ii) found in electronic format as part of Participant's off-site or on-site data storage/archival process system, will be held by Participant and kept subject to the terms of this provision or destroyed at Participant's option. If Participant fails to cure the default within the time specified and according to the requirements set forth in Authority’s written notice of default, and in addition to any other remedy available to the Authority by law, the Authority’s Chief Executive Officer may terminate the Agreement by giving Participant written notice thereof, which shall be effective immediately. This Agreement represents the full and complete understanding of every kind or nature whatsoever between the Parties, and all preliminary negotiations and agreements of whatsoever kind or nature are merged herein. No verbal agreement or implied covenant shall be held to vary the provisions hereof.
