SILICON VALLEY CLEAN ENERGY AUTHORITY CONFLICT OF INTEREST CODE

The Political Reform Act (Government Code § 81000, *et seq.*, hereinafter referred to as the Act) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission (“FPPC”) has adopted a regulation (2 California Code of Regulations § 18730) which contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency’s code. After public notice and hearing, the standard code may be amended by the FPPC to conform to amendments in the Act. Therefore, the terms of 2 California Code of Regulations § 18730 and any amendments to it duly adopted by the FPPC are hereby incorporated by reference. This regulation and the text here designating positions and establishing disclosure categories shall constitute the conflict of interest code of the Silicon Valley Clean Energy Authority (“Authority”).

The most current version of 2 Cal. Code of Regs. Section 18730 is available on the website of the Fair Political Practices Commission (<https://www.fppc.ca.gov>).

Individuals holding a designated position shall file their Statements of Economic Interests with the Authority’s Filing Official, which will make the Statements available for public inspection and reproduction subject to Government Code section 81008. If Statements are received in signed paper format, the Authority’s Filing Official shall make and retain a copy and forward the original Statements to the Filing Officer, the County of Santa Clara Clerk of the Board of Supervisors. If Statements are electronically filed using the County of Santa Clara’s Form 700 e-filing system, both the Authority’s Filing Official and the County of Santa Clara Clerk of the Board of Supervisors will receive access to the e-filed Statements simultaneously.

Such written determination shall include a description of the newly created position's duties and, based upon that description, a statement of the extent of disclosure requirements. The Chief Executive Officer's determination is a public record and shall be retained for public inspection in the same manner and location as this conflict-of-interest code. (Gov. As soon as the Authority has a newly created position that must file Statements of Economic Interests, the Authority's Filing Official shall contact the County of Santa Clara Clerk of the Board of Supervisors Form 700 division to notify it of the new position title to be added in the County's electronic Form 700 record management system, known as eDisclosure. Upon this notification, the Clerk's office shall enter the actual position title of the newly created position into eDisclosure and the Authority's Filing Official shall ensure that the name of any individual(s) holding the newly created position is entered under that position title in eDisclosure.

Additionally, within 90 days of the creation of a newly created position that must file Statements of Economic Interests, the Authority shall update this conflict-of-interest code to add the actual position title in its list of designated positions and submit the amended conflict of interest code to the County of Santa Clara Office of the County Counsel for code-reviewing body approval by the County Board of Supervisors. (Gov. Code Section 87306.)
